NEW STUDENT EDUCATION PROGRAMS WILL BE AVAILABLE BEGINNING AUGUST 1 FOR THE 2016-2017 SCHOOL YEAR.

**Not Anymore** is an online program designed to help students deal with the issues of sexual assault, sexual harassment, dating violence, stalking, and healthy relationships. Students will learn how to identify potentially dangerous situations as well as how to intervene and put a stop to them.

**AlcoholEdu for College** is an interactive online program designed to reduce the negative consequences of alcohol amongst students. The online modules deliver a personalized experience to all students based on their current drinking behaviors.

As stated in the Rutgers University **Academic Integrity** Policy, "Rutgers is committed to fostering an intellectual and ethical environment based on the principles of academic integrity". The Academic Integrity Tutorial for New Students was developed to support this commitment and to promote a strong culture of ethics and integrity at Rutgers.

**Transit-Financial Wellness** is designed to empower students with the skills to successfully manage their finances while in school and post-graduation. The module uses education to increase student retention and minimize student loan defaults. Transit equips learners with the knowledge and skills necessary to make responsible financial decisions.
