

General Application Information

WELCOME to the LEx Leader Unified Application for 2020-2021

PLEASE READ ALL BELOW INFORMATION CAREFULLY BEFORE ADVANCING!

This application should not take you more than 15 - 20 minutes to complete fully. If you would like to preview the LEx Leader Application and see what questions are being asked in each section, please follow this link: [LEx Leaders Website](#)

In this application you will have the option to apply to one or multiple of the available LEx Leader positions. You **WILL NOT** have to apply to all the positions in which you are interested in one application. You are free to put in as many applications as you would like separate from one another.

If you do decide to submit multiple applications, we suggest you save your answers for the first two pages in a Word Document, (the demographics page and the General LEx Leader Application). These answers will not save and you will be required to answer them again if applying a second time for a different position.

General Application Questions

The title of LEx Leader encompasses all of the positions for the various units within the Department of Leadership & Experiential Learning. This page will serve as a general set of questions that will be applicable to all LEx Leaders.

After completing this page, you will be asked if you would like to submit your application to our specific units. You will be taken to a page that will allow you to select which position you would like to fill out first. Each position has a few questions specific to that unit. Once you have completed the application you will be brought back to the position selection page to submit additional position applications. If you choose to not apply for any additional positions, you will be brought to the end of the application.

The unit positions you are able to apply for through this application are:

- LEx Mark Captain
- LEx Alternative Breaks Executive Board
