

LEx Leadership Intern Job Description

Leadership & Experiential Learning designs and implements diverse leadership opportunities and comprehensive workshops in order to provoke thought and inspire action around the University. LEX Leadership Interns have the opportunity to actively participate in a project-based experience while developing skills in event planning and management, web-design, leadership training, workshop facilitation, and professional competencies.

In addition to developing transferable skills for the competitive internship and job market, LEX Leadership Interns also receive a stipend and access to various leadership education opportunities. Scheduling is flexible based on your class schedule.

We are looking for our most advanced and polished leaders to run Leadership Central (with our commitment to help develop you further), and we promise a transformational experience!

The application to be a LEX Leadership Intern must be completed by February 10, 2020. Interviews will be conducted on February 21 and February 22. You will be notified if you are moving forward in our process before the end of February.

Important Dates:

- Applications Due: February 10, 2020

- Interviews: Friday, February 21, 2020 - Saturday, February 22, 2020

* Are you interested in applying to be a Leadership Intern?

Yes

No

Leadership Intern Application

Please complete the following application to be considered for a LEx Leader Intern.

In order to be eligible, you must be available to work 12-15 hours per week. Our interns are paid by stipend. Occasional night and weekend hours will be required of this position.

Mandatory training will take place May 5, 2020 and at the end of August. Dates will be determined at a later date, however, you must be able to attend training in order to be eligible for the position.

* What skills do you want to develop through this position? (75 Word Limit)

* Do you have Graphic Design or Video creation experience?

Yes

No

If you do have graphic design or video creation experience, please describe your experience and expertise with graphic design or video creation. (software, photography, video editing, etc.) (75 Word Limit)

* Do you have any workshop or group facilitation experience?

Yes

No

If you have facilitation experience, please describe the extent and capacity of your experience. (75 Word Limit)

* Please give an example of a time you've worked in a quick-paced, ambiguous setting and how you kept yourself motivated to complete your projects (75 Word Limit)

* Give an example of a time you went beyond the status quo to make a project or initiative better, more creative, or more impactful? (75 Word Limit)
