The Mark Conference aims to inspire action and encourage you to think critically about the “mark” you will leave on the world. Ted styled speakers, interactive activities, networking opportunities, and surprise energizers are just the beginning of this unconventional leadership experience!

Over 15 speakers and various interactive activities will help students explore how they can make their mark on the world.

The Mark Conference aims to inspire action and encourage you to think critically about the “mark” you will leave on the world. Ted styled speakers, interactive activities, networking opportunities, and surprise energizers are just the beginning of this unconventional leadership experience!
