3. Offenses resulting in a direct free kick (goal can be scored directly off the kick):

4. Badgering of Officials by any player or spectator may result in a Major Penalty. TEAM CAPTAINS ARE RESPONSIBLE TO CONTROL THEIR TEAM'S ATTITUDE/BEHAVIOR. If the badgering persists, immediate game disqualification may occur.
5. During a kickoff. Players must remain on their half of the court until the ball is kicked.  
**Penalty: Turnover - Direct Kick**
6. During a kickoff the ball must be played in any direction.
7. The entire ball must be across the goal line with time remaining on the clock in order to be considered a goal.
8. After a goal the opposing team puts the ball in play at midcourt. This is not a time out situation and a delay of game penalty may immediately be assessed if teams do not resume play in a timely fashion.
9. If a ball goes behind the goal the ball will be put into play determined on who touched the ball last. If the Attacking Team touches the ball last, play will be resumed with a Goalkeeper Distribution (this replaces a Goal Kick). If the Defending Team touches the ball last it will result in a Corner Kick.
10. On a ball trapped against the wall with no clear possession after *5 seconds*, a drop ball will restart the game. A drop ball will also be used after an injury occurs if no team was in clear possession of the ball.

11. No one may be in the goalkeeper box (marked by blue lines) but that respective teams goalkeeper. This is a safety issue utilized to protect all players on the court. **Penalty:** *Attacking Team – Goal Keeper Distribution; Defending Team – Indirect Free Kick. Note, if the referee's believe a defender denied an obvious goal scoring opportunity with this infraction, they can increase the severity to a penalty kick or an awarded goal with a red card.*
12. Penalty Kicks will be taken from the free throw line in Cook, and 10 yards away from the Goal Line in College Ave Gym. In CAG, there will be a mark to denote the PK Line.
13. **Players are not allowed to SLIDE TACKLE.** Slide Tackling is defined as “sliding (intentionally or not), which is defined as “leaving ones feet” that results in or puts a player at risk for a take down. **Penalty:** *Major Penalty, Yellow/Red Card (depending on severity), Direct Kick*

15. Court players (besides the goalkeeper) may not intentionally handle the ball with their hands or arms. **Penalty:** *Direct Kick*
16. Player may request a 5 yard cushion to kick the ball during a free kick. Plays MUST ASK for the 5 yards or they won't receive it. If the box is closer than 5 yards defensive teams may line up on the edge of the goalkeeper box.
17. Advantage: If a foul is committed by the defense while the offense is attempting a scoring opportunity, and calling a foul would stop the offense's chance of scoring on that play the official will shout “play on.” Shouting “play on” will evoke the advantage rule meaning that the offense will continue with their scoring opportunity. At the next stoppage of play the official who called for the advantage rule will give the offending player the appropriate card, if necessary.
18. There is no offside rule in Rutgers University Intramural Sports.
19. Accumulation of 4 or more Caution Points on a single player will result that players ejection from the game and the offending team playing down a player. Caution Points are given as follows:

## Rutgers University Intramural Sports Policies

1. The game of Indoor Soccer is a contact sport and injuries (mostly minor) do occur. Players should participate with this understanding. Also, participation in the Intramural Sport Program is completely voluntary. Rutgers University is not responsible for injuries incurred during intramural play. It is strongly recommended that participants have satisfactory health status and accident insurance to cover any injury that may occur
2. Alcohol or other illicit drugs are not to be brought to any Rutgers Recreation Facility. Players coming to their game under the influence risk Forfeiture of the game, suspension from intramural play, and referral to the Dean of Students.
3. There will be a Sportsmanship Rating System in place for all teams. At the conclusion of every game, the officials and intramural supervisors will rate each team based on their sportsmanship towards their opposing teams and the officials. Team Captain’s will sign off on their score and Sportsmanship Rating. The rating can change from 4.0-0.0. Teams must

have at least a 2.5 rating average in order to be eligible for the playoffs. Teams at risk of falling below or teams that are below the required Sportsmanship Rating will be alerted by Rutgers University Intramural Sports Staff, as a preventative measure. Teams must have a least 2.0 rating for each game in the playoffs in order to advance. Any team that receives a 0.0 in a playoff game will be disqualified from that playoff tournament and suspended from all IM events for a period of time to be determined by the professional staff. The sportsmanship ratings are based on:

**A (4) Excellent Sportsmanship** - given to a team where all players cooperate fully with the officials and opposing team members.

**B (3) Above Average Conduct** - Team members verbally complain about some decisions made by the officials and/or show minor dissension, which may or may not merit an unsportsmanlike penalty (technical, yellow flag, etc). Any team receiving an unsportsmanlike penalty will receive no higher than a "B" rating.

**C (2) Poor Sportsmanship** - Team members constantly comment to the officials and/or the opposing team from the field/court and or/sidelines. The team captain exhibits little control over teammates or him/herself. Teams that earn at least two unsportsmanlike warnings will receive no higher than a "C" rating.

**D (1) Deplorable Conduct** - given to a team that persist in questioning officials' decisions; and/or they repeatedly argue with the officials. Teams display frequent use of profane or vulgar language. Spectators, clearly related to the team, fail to cooperate with the officials and the team is not supportive of the officials' efforts. Teams that earn at least three unsportsmanlike warnings will receive no higher than a "D" rating. Teams receiving an ejection due to unsportsmanlike actions of a player will receive no higher than a "D" sportsmanship rating.

**F (0) Intolerable** - given to a team where the team is completely uncooperative and the captain has no control. Any team that receives four unsportsmanlike penalties or two player ejections will receive an "F" rating and the game will be forfeited.
