SOCIAL EVENT GUIDELINES

To maintain a safe and comfortable living environment, all residents must agree to monitor their own behavior and have respect for all other residents.

1. As per NJ State Law, only people of the age 21 or over may consume or be served alcohol. Hosts are legally responsible for their guests.
2. NJ State fire code restricts the number of people in an apartment to a maximum of 25.
3. Social events guidelines.
 - Social events are only permitted on Friday and Saturday evenings.
 - No multiple apartment events or gatherings are permitted unless authorized by the Residence Life Coordinator.
 - All social events must be registered with the Residence Life Coordinator 48 hours in advance. Non-registered social events will be closed down.
 - Social Events must be closed down by 1:30am. Staff will arrive to assist in closing down the event if necessary.
 - Hosts will clean the apartment and any spillover into the hallway at the conclusion of the social event.
 - Only quarter kegs allowed.
4. No social event will be advertised by poster, newspaper ad or the Internet.
5. No loitering will be allowed in public spaces outside the apartment or suite having a social event. The social event **MUST** stay in the apartment or suite. All Hosts are responsible for ensuring that their guests do not loiter in the hallways, stairwells or anywhere else inside the building.
6. Noise should be kept at a level that will not disturb neighbors. As a general guideline, if music can be heard outside of the apartment or suite, it is too loud.
 - You must notify your neighbors (next door, above, below, and across) when you are having a social event.
 - When faced with a noisy neighbor, it is your responsibility to first confront the apartment or suite. For excessive noise/people and or recurring problems, please call the Apartment Assistant or the staff on duty for assistance.
 - Please be sensitive to the time of day and week that you are hosting social events.
7. Adhere to all other policies of Rutgers University, state, and federal law.
8. Any social event which requires the documentation of Residence Life staff or police will automatically be referred to the Community Standards Office.
